

# NORTH COLLINS CENTRAL SCHOOL DISTRICT

P.O. Box 740, North Collins, NY 14111

---

## August 2023 COVID Re-Opening Plan Review

The North Collins Central School District conducted the required review of its Re-opening Plan and determined that no changes are necessary. At this time neither the New York State Department of Health (NYSDOH) nor the Erie County Department of Health (ECDOH) require pandemic restrictions such as social distancing, masking, or transportation changes.

The following standard good practices will continue in the district:

- Proper respiratory etiquette
- Proper hand-washing skills
- Proper Ventilation
- Daily cleaning and disinfecting

The District will also make available COVID testing kits to parents upon request until we run out or until the tests in our possession expire.

Anyone positive for COVID will be required to follow the current guidelines for staying home and returning to work. The latest CDC guidelines can be found [HERE](#).
